

Dear DSA Student,

We hope your school year has started off great. We are excited to hear that so many of you have signed up for Rec and Middle School soccer. We are now taking applications for our indoor classes that are scheduled to begin in October. We will run the indoor sessions in a three-semester format once again this year. All sessions will continue to be held at the *Caribou Learning Center Gym*.

For those of you who are new to DSA, the goal of our indoor program is to aid the existing local soccer teams by offering a supplemental soccer program during the winter months and also to provide an opportunity for kids to play soccer year round in Aroostook County. As a soccer academy, our focus is to build strong fundamental soccer players and prepare each individual student to play team soccer. We hope that our students will develop the skills necessary to compete with the strongest teams throughout Maine and ideally continue to play soccer in college. Our DSA philosophy of having fun while learning will remain the priority of all of our sessions. We strongly believe in creating a positive environment where kids are inspired to be the best they can be without being afraid to make mistakes.

Enclosed is our 2007-2008 registration form. Our fee this year will be \$58 per trimester if you **pre-register before Oct. 12<sup>th</sup>**. If you register after Oct. 12<sup>th</sup>, you will need to pay a **\$5 late fee**. It is very helpful for us to know the number of students per class ahead of time so we can make the necessary adjustments before the first class. Our aim is to have each class as even in talent as possible for optimal player development. Payment is due at the beginning of each trimester and must be received before your child can participate. Students who pay their tuition for all trimesters (\$174) in advance before October 12 will receive a free pair of DSA black & white socks. We will also require a one-time annual **registration fee of \$25** per child in addition to the tuition.

Please note that if school is let out early due to a snow storm, *DSA* class is canceled as well. If school is let out early for a teacher workshop, we will still have *DSA* class. Classes canceled due to a snow storm or any other reason will be made up at the end of the season or in the form of a tournament during the season. Please call (492-1147), or visit our web-site [www.dutchsocceracademy.com](http://www.dutchsocceracademy.com) if you have any questions.

Sincerely,

Rob and Tammy Krul
